

26th June 2020

Dear Parent/Carer

Re: Lansbury Bridge and Mill Green update

We sincerely hope all is well with you and your family in the on-going circumstances.

The enforced period of time adapting to Covid-19 restrictions has been a significant challenge for all of us; the conflicting advice on re-opening schools has seen vastly differing opinions – but please rest assured all our decisions are taken in accordance with government guidelines, local authority protocols and the advice of social care, health professionals, transport and other key organisations.

We hope that you have found the welfare calls with class teachers supportive and accessed the learning packs and online learning materials provided. You should have just received, or will do imminently, your child's annual report outlining their achievements and successes since September 2019.

We are now in the process of awaiting further government instruction about a much wider opening of our schools from September, based on revised social-distancing advice. We can however inform you that a gradual, phased return from Wednesday 2nd September is planned, the specific details of which will be outlined to you nearer the time.

In the meantime please keep well, and thank you for your on-going support with both regard to Lansbury Bridge and Mill Green.

Yours faithfully

W.A.Brooks
